Supplement for Pandora®

Using the Pandora service

The Pandora service is available in the U.S.A., Australia and New Zealand only.

Le service Pandora est disponible aux États-Unis, en Australie et en Nouvelle-Zélande uniquement.

Pandora is a free, personalized Internet radio service playing only music you love. Enter your favorite artists or tracks and Pandora will bring an effortless personal soundtrack into your living room. Rate tracks as they play, because Pandora caters to your tastes and adapts stations to your feedback on the spot.

Since all Pandora accounts are portable, you can always access your own personalized Pandora stations from any computer or device in the United States that supports Pandora. Pandora is only available within the United States due to licensing restrictions.

Pandora is always free, with the option to upgrade to Pandora One which is completely free of all advertising and comes with additional features.
