

For iPod fans who want to enjoy much higher sound quality with powerful output.

Black

Easy to Use

- The PDX-30 is compact and light enough to go anywhere you want it. The flat top design does not waste space – you can put your keys, eyeglasses, mobile phone, etc. on it
- Card-type remote unit for additional convenience
- Four colour variations – black, blue, gray, pink – to match your iPod and interior

High Sound Quality

- 15W x 2 high power output
- Uses Yamaha original digital amplifier with extremely low noise and distortion
- Two large 8cm (3-1/4") speakers for dynamic bass response ensure that you will enjoy powerful, clean sound from your iPod music library
